

Step 1

Create Item
A content item is any type of file, text, image, or link that appears to users in a Content Area, Learning Module, Lesson Plan, or co

✳ Indicates a required field.

1. Content Information

✳ Name

Color of Name Black

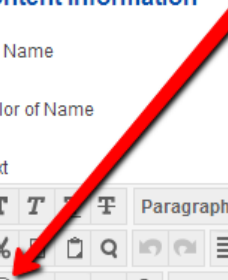

Text

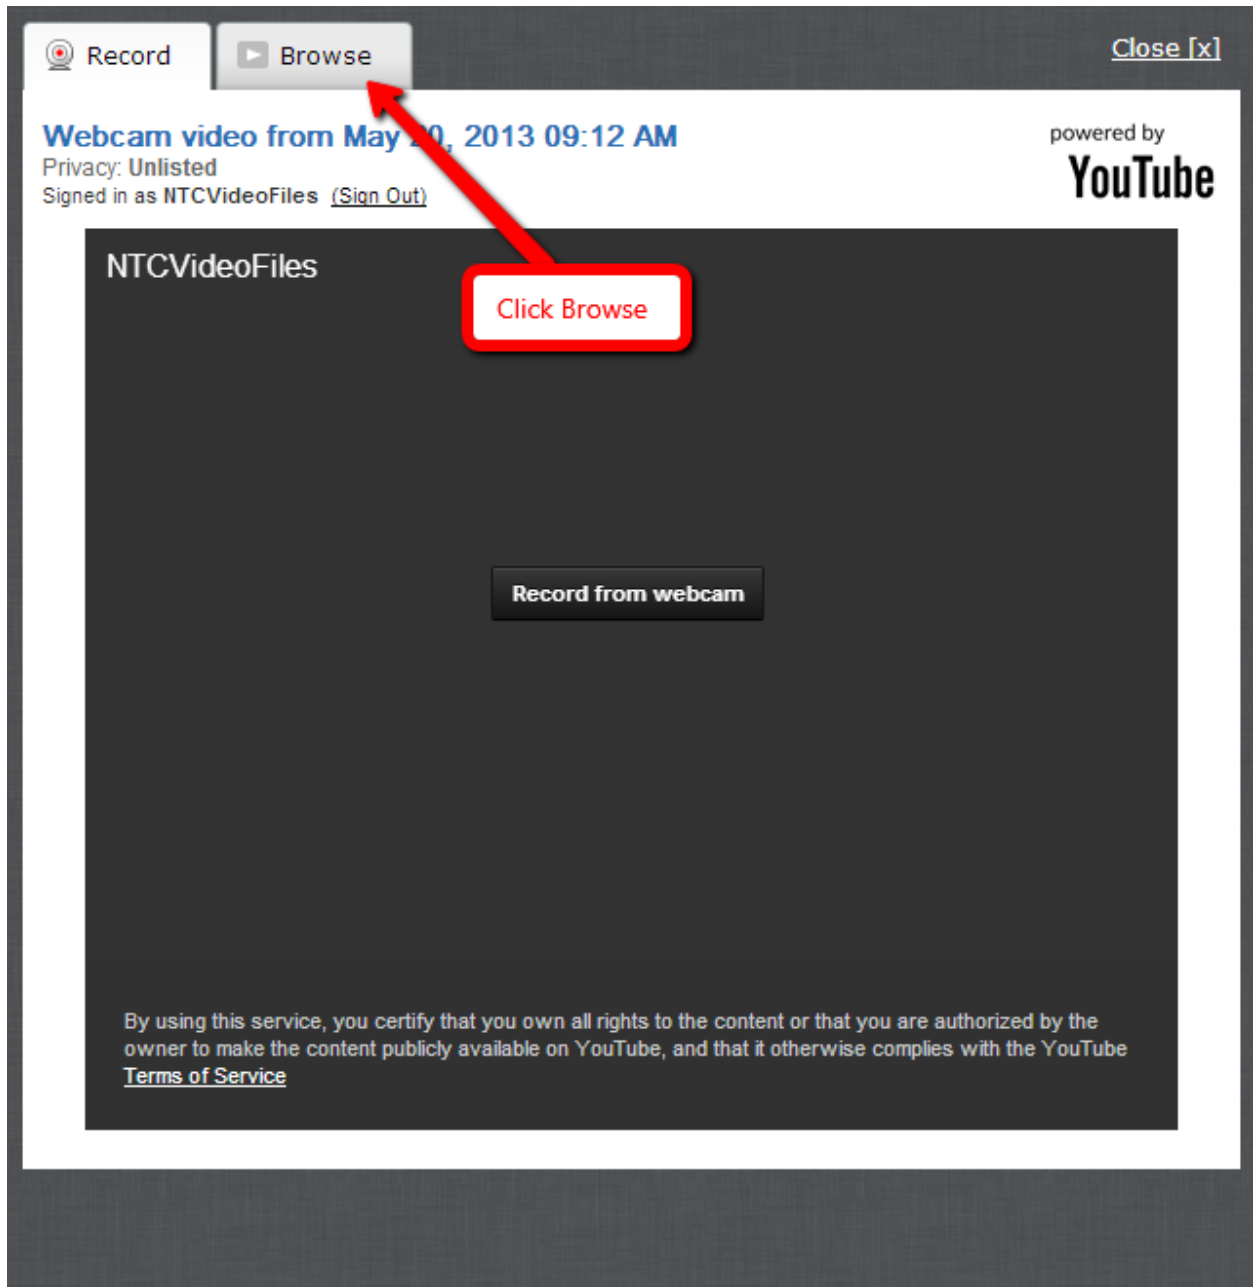

A rich text editor toolbar with various icons for text formatting (bold, italic, underline, text color, background color), alignment (left, center, right, justified), indentation, bulleted and numbered lists, link and unlink, undo, redo, and search. The bottom row includes icons for webcam, image, video, audio, Mashups, quote, copyright, smiley, anchor, table, and grid, followed by HTML and CSS buttons.

Path: p

Create an item and click the webcam icon in the text editor. If you are only seeing one row of icons, click the double down arrows icon on the far right side of the text editor and it will expand.
