How to deploy a Connect assignment into Canvas (using DI)?

Step 1: Locate and select a Connect assignment (via the Connect course home page)

		http://	/connect.mheducation.com/class/j-pa

Step 4: Once a Connect assignment has been successfully deployed, a deploy icon will appear to the right of each assignment (as shown in the below image)

Please note: If a deployed icon does not appear, refresh the browser via Connect; this should help address the issue.
