

LIBRARY RESOURCES

Link Check Quick Facts for NTC Instructors

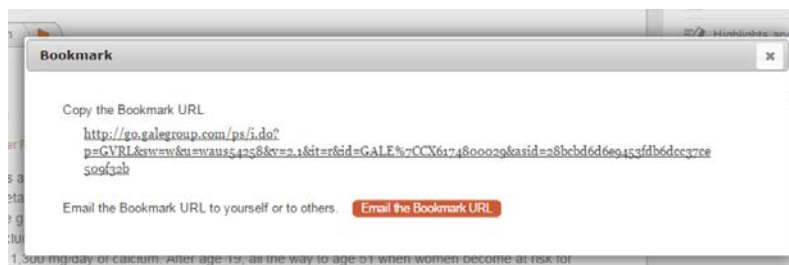

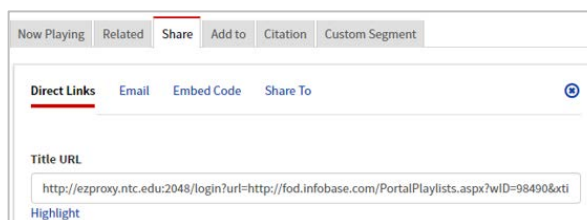

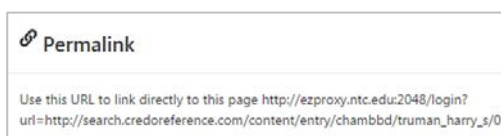

The NTC Library provides extensive online resources that support our programs. Follow these steps to set up links for students in the LMS.

Persistent links will appear within a database menu or near the bottom of the screen. These links provide consistent access to a particular video, e-book, or article for NTC users.

If there is not a persistent link available, you may copy the browser's URL instead. This is the address which comes from the browser, such as Google or Internet Explorer.

PERSISTENT LINKS, ALSO KNOWN AS PERMALINKS OR DIRECT URL'S ARE USED WITHIN THE LMS (CANVAS) TO LINK USERS DIRECTLY TO A GIVEN ONLINE SOURCE.

Here are a few examples of persistent links found in menus:

For assistance, please contact Katie Aldrich at 715.803.1055 or aldrich@ntc.edu

Specific Database Resources

BadgerLink

Persistent linking varies by resource accessed.

Steps to Success	How to locate the persistent link	Details
#1	Click All Resources.	Located on the top purple menu.
#2	Click “Read More” by a database.	Read More...
#3	Select the “Full Details & Training” link.	Academic Search Premier Full Details & Training
#4	Click “Info Sheet Training” for persistent link information specific to that database.	View EBSCO Info Sheet Training 
#5	Note: Some databases accessed through the BadgerLink interface will require the addition of the proxy prefix.	http://ezproxy.ntc.edu:2048/login?url=

Example: BadgerLink Persistent Link Information on Handout

Britannica School Info Sheet

Learn how to search and navigate Britannica School as well as full-text content, permalinks, citations, and the copyright of t

[View Britannica School Info Sheet Training](#) 

 **Permalinks**

A Permalink is a persistent URL that points to content within a BadgerLink resource. Britannica School provides a permalink in the Cite feature.

Back to [Table of Contents](#) or [Link Check Quick Facts for NTC Instructors](#) for Persistent Link

CINAHL (Ebsco)

Steps to Success	How to locate the persistent link	Details
#1	Select article.	
#2	Click on Permalink from Tools Menu.	Located on the right side of the screen 
#3	Persistent link location:	URL under Permalink is persistent.

Example: Ebsco Persistent Link Screenshot

 Permalink <http://search.ebscohost.com.ezproxy.ntc.edu:2048/login.aspx?direct=true&AuthType=cookie,ip,cpid&custid=s6249661&db=n5h&AN=108949640&sil>

Ebsco (all Ebsco resources)

Steps to Success	How to locate the persistent link	Details
#1	Select article.	
#2	Click on Permalink from Tools Menu.	Located on the right side of the screen 
#3	Persistent link location:	URL under Permalink is persistent.

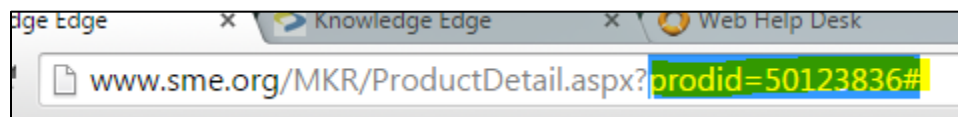

Example: Ebsco Persistent Link Screenshot

 Permalink <http://search.ebscohost.com.ezproxy.ntc.edu:2048/login.aspx?direct=true&AuthType=cookie,ip,cpid&custid=s6249661&db=n5h&AN=108949640&sil>

Knowledge Edge – *Linking in Canvas Only**

Steps to Success	How to locate persistent link	Details
#1	In Knowledge Edge:	Find the page with the video or other content that you wish to use.
#2	Copy the prodid or the id from the end of the URL at the top of the page.	A prodid (product ID) will appear on page links for featured content such as streaming videos. An id number will appear on search results.
#3	Always start with this link as a base:	http://www.ntc.edu/KnowledgeEdge/ke.html?
#4	Paste the prodid id:	Paste the unique prodid (or id) number to the end of the link with no additional spaces.
#5	Example of completed link:	http://www.ntc.edu/KnowledgeEdge/ke.html?prodid=50123836#

Example: prodid number Screenshot

**Due to technological restrictions & in order to adhere to licensing terms, Knowledge Edge links may be posted in LMS courses for NTC staff & student use, but may not be shared using other mediums, such as email.*

If you have any questions or concerns, please contact Katie Aldrich: 715.803.1055 / aldrich@ntc.edu
