

## NTC Student Success Advisors

Meet with your Student Success Advisor to complete your initial advising appointment, discuss academic and career goals, develop education plans & program course mapping, address concerns, review course history and credit for prior learning opportunities, and plan for graduation. Advisor's offices are in Student Services (C106) on the Wausau Campus.

To schedule an in-person, phone, or virtual appointment with your advisor, log into Starfish or call 715.803.1797.
