TEACH

TAKE ADVANTAGE OF CLASSROOM SUPPORT

Schedule a library presentation/visit to your class!

Topics can include: research, resources, APA, copyright, Creative Commons images, evaluating sources, and more!

Schedule a class visit to the library.

We can provide a tour of our space & share info on our services and/or an interactive presentation using our TLC lab!

More than just books!

Access online videos, research guides, request handouts, find supplementary resources to support your course!
www.ntc.edu/library

Extra credit student opportunities

Watch for TLC workshops, presentations, & events.

Course Reserves

Put a personal or department resource on Course Reserve, so that the library can manage the loan process to students on your behalf.
